Clarion™ Offers New, Sleek Plastic Totes

Clarion Lubricants continues to enhance the product packaging by replacing one-way cardboard totes with plastic totes.

Clarion Plastic Totes

Features and Benefits

- Same one-way feature
- Sleek, clean look
- Sturdier than the cardboard totes
- Stackable
- Included in the direct ship program
- Same price as the one-way cardboard totes

Details

- The new Clarion one-way plastic totes will be available to order from Cicero beginning May 20.
- Existing Clarion one-way cardboard totes will be discontinued May 20.
