Introducing Clarion® Lubricants

Clarion Lubricants are white oil and synthetic-based products designed for use in a broad range of applications in four categories, including Food Grade, Technical Grade, Environmentally Friendly and Synthetic.

Formulated with white mineral oils, Clarion Food Grade and Technical Grade products are NSF H-1 registered products. They are designed for use in a wide range of applications where purity of the oil is extremely important due to the possibility of direct contact with food for human consumption. FDA-approved additive systems are utilized where needed to provide excellent rust protection, oxidation inhibition and anti-wear properties.

Clarion Green products include greases as well as high-performance, anti-wear hydraulic oils designed for use in the pumps and gears of high-pressure hydraulic equipment operating in environmentally sensitive areas. Clarion Green products are inherently biodegradable and will pass the U.S. Coast Guard static sheen test requirements.

Clarion Lubricants

Features and Benefits

- Available in several viscosity grades; Food Machinery lubricants contain ashless, anti-wear additives plus rust and oxidation inhibitors
- Manufactured with white mineral oils, which are very stable, crystal clear in appearance, exhibit high viscosity indices and contain Vitamin E
- Treated to remove aromatics, nitrogen and sulfur; chemically inert
- Non-toxic, inherently biodegradable and easily recycled

Applications

Clarion Lubricants are white oil and synthetic-based products designed for use in a broad range of applications in four categories, including Food Grade, Technical Grade, Environmentally Friendly and Synthetic.

Details

Available in bulk, totes, drums and/or pails, depending on product.

Cross-Reference of Product Names

Please refer to the following page for a list of the old product names and the new Clarion names.

Clarion Lubricants (continued)

Existing Product	New Clarion Product
Food Grade	
CITGO Clarion® Food Grade HTEP Grease	Clarion® Food Machinery HT EP#2 Grease
Mystik HT-FG Supreme Food Machinery Grease	Clarion® Food Machinery HT EP#2 Grease
