CITGO Now Offering **LubeAlert** Oil Analysis Program with CITGARD® 600 HD Engine Oil!

CITGO is now offering LubeAlert oil analysis with CITGARD 600 Heavy Duty Engine Oil. The decision to include LubeAlert with CITGARD 600 is based on input from the CITGO Heavy Duty Marketer Work Team, CITGO Marketers, CITGO Territory Sales Managers and market opportunities.

LubeAlert continues to provide a state-of-the-art oil analysis program for fleets. CITGARD 600 joins the list of other LubeAlert eligible products that fleets purchase including CITGARD 700, CITGARD SynDurance®, Mystik JT-8® SHD Engine Oil and Mystik® 5W-40 Full Synthetic Engine Oil.

Thanks for your input and we look forward to enrolling new CITGARD 600 fleet customers in the LubeAlert Oil Analysis Program!

Refer to CITGO MarketNet® for pricing information. To place your order, contact CITGO Customer Service at 1-800-331-4068, or e-order through MarketNet.
