## Industrial Degreasers

Summit offers safe, effective industrial degreasers to help you clean and maintain your production line. Find the perfect solution for your maintenance needs.

### Available Degreasers

[Sur-Clean MSDS](#) • [Sum-Clean MSDS](#) • [Xtra-Clean™ MSDS](#)

### Sur-Clean

#### General-Duty Glycol-Based Degreaser

This all-purpose cleaner is a water-based synthetic detergent that will cut time and clean-up costs in a variety of institutional, commercial and general applications.

Safe on glass at a 1:20 dilution, it is recommended for trucks, cars, windows, floors, metal parts and painted walls.

#### Safe and Biodegradable

Sur-Clean is non-flammable, non-abrasive, non-corrosive, non-toxic and biodegradable, Safe for ferrous and non-ferrous metals.

Environmentally friendly, Sur-Clean contains NO phosphates, chlorinated hydrocarbons, ethylene glycol, monobutyl ether, sodium hydroxide, sodium silicates or petroleum distillates, specifically naphtha and benzene.

#### Sur-Clean® Product Description

Glycol Based Compound

Color: Blue

pH: 9.5

Biodegradable

## Sum-Clean

### Heavy-Duty Butyl-Based Degreaser

Not a soap or detergent, this well-balanced chemical compound has the cleaning power needed to handle the toughest industrial applications.

Watch cleaning efficiency increase as your crews tackle grease on equipment, motors, machines, ducts and flues with the aid of heavy-duty Sum-Clean.

### Safe and Biodegradable

Sum-Clean is non-flammable, non-abrasive, non-corrosive, non-toxic and biodegradable. Safe for ferrous and non-ferrous metals.

Environmentally friendly, Sum-Clean contains NO phosphates, chlorinated hydrocarbons, ethylene glycol, monobutyl ether, sodium hydroxide, sodium silicates or petroleum distillates, specifically naphtha and benzene.

### NSF® Registered to USDA Standards

Sum-Clean is NSF registered A8 and C1 and meets USDA standards, authorizing its use in federally inspected meat and poultry plants where there is no food contact.

## Xtra-Clean™

### Super-Duty Butyl-Based Degreaser

Xtra-Clean is Summit's strongest maintenance cleaning compound. Ideal for industrial cleaning, this super-concentrate is formulated to melt-through the dirtiest and oiliest projects you can find.

This includes oil rigs, conveyors, engines, ovens, deep fat fryers, vats and other greasy, carbon-encrusted parts. Xtra-Clean gives new meaning to industrial strength!

### Safe and Biodegradable

Xtra-Clean is non-flammable, non-abrasive, non-corrosive, non-toxic and biodegradable, Safe for ferrous and non-ferrous metals.

Environmentally friendly, Xtra-Clean contains NO phosphates, chlorinated hydrocarbons, ethylene glycol, monobutyl ether, sodium hydroxide, sodium silicates or petroleum distillates, specifically naphtha and
